

JAVON A NICHOLAS

About Me

- Javon LOVES all things Food and has over 22 years of food industry expertise!
- After living abroad in Taiwan Asia, Javon was inspired to create her comfort filled frozen product line Egg Rolls Etc. which is sold online and delivered directly to consumers.
- Javon self-published her first book during the covid lock down of 2020. Her book "Legacy Kitchen 1219 an inheritance of recipes from her family to yours" is sold on all platforms that sell books including Amazon
- Javon was named one of the most influential women in food-by-Food processing Magazine 2022
- Javon loves to travel and cook while abroad. Javon has cooked in the kitchens of over five different continents from living in Taiwan and London and most recently on a service trip to Ghana. She creates unique dishes and offers them on multiple platforms for all to Chow on and enjoy!
- Egg Rolls Etc. has received multiple accolades including 1 of 5 Best egg rolls in all of Chicagoland and Chicago's Best local Food Product 2023, 1 of 4 Chicago Bears All Pros 2023, 2023's excellence in Business from the Urban League
- She is an Advisory Board member of The Illinois Restaurant Association
- She is also a small food business coach and consultant for multiple nonprofit organizations throughout Chicago and Chicagoland

Company Information/Profile

The Flavour unit corporation is the parent company of Egg Rolls Etc. and Legacy Kitchen Solutions small food business coaching and consulting.

Egg Rolls Etc. is a frozen product line of comfort filled Egg Rolls, potstickers and Rangoon. We sell to a variety of wholesale platforms both B2B and B2C such as in local

grocery stores, catering companies, ghost kitchens, online and other large foodservice platforms. We partner with non-profit organizations in the form of cooking demos, workshops and sponsorship to teach youth the importance of self-love, cultural sensitivity and entrepreneurship.

Legacy kitchen Solutions is Legacy Kitchen Solutions provide training, coaching and experienced guidance within the food industry sector. Our 23 years of expertise in food safety, food quality assurance, food production, and facilitating restaurant/foodservice operations advise food industry businesses and professionals on the development and improvement of their food service operations. We consult with restaurants, food producers, schools or any other food service facility within the Chicagoland and Indiana area.

Tagline/Mission Statement

“The Flavour Unit Corporation is where food dreams become a reality.” Egg Rolls Etc. has created a brand that unites cultures and differences all inside of a warm wonton- Just like an eggroll its’ what’s inside that counts!

Legacy Kitchen Solutions “Where we are deeply rooted in Culinary” offers consulting and coaching to small food business owners within the food industry.
